

AWS CERTIFIED SYSOPS / DEVOPS ENGINEER

Job description

The Team

Colorfront is an Academy Award and Emmy Award winning postproduction and software development studio. The majority of current blockbuster movies and episodic television shows are processed with Colorfront products in Hollywood and around the world. With it's growing number of products Colorfront is the leader of innovation in color science, video transcoding and post-production workflows.

The Role

The candidate is required to maintain and develop Colorfront's Transkoder software running in AWS in collaboration with the development team. The software is running video transcoding jobs from various input file formats and encoding various deliverables formats. The role also involves supporting and working directly with customers who are using Colorfront software in AWS.

Desired Skills

Technical expertise in provisioning, operating, and managing distributed application systems on the AWS platform.

Essential functions:

- Implement and manage systems and methodologies on AWS
- Understand, implement, and automate security controls, governance processes, and compliance validation
- Define and deploy monitoring, metrics, and logging systems on AWS
- Implement systems that are highly available, scalable, and self-healing on the AWS platform
- Design, manage, and maintain tools to automate operational processes

Knowledge, skills and abilities

Required qualifications and experience:

- Two or more years' experience provisioning, operating, and managing AWS environments
- Experience developing code in at least one high-level programming language
- Experience in automation and testing via scripting/programming
- Understanding of agile and other development processes and methodologies

Additional experience and skills considered as advantage:

- Experience with video and/or audio editing, postproduction
- Understanding of computer HW components, GPUs, CPUs etc.

Personal qualities:

- Team player
- Self motivated, goal oriented, and able to work independently
- Quick learner, ambitious, can thrive under pressure
